SANTA ANA, CALIFORNIA, TUESDAY EVENING, JUNE 15, 1915.

50 CENTS PER MONTH

BIGGEST CLASS IN ALL HISTORY OF SANTA ANA'S HIGH SCHOOL IS GRADUATED WITH FULL 104 MEMBERS

The senior class officers for the Class of '15, S. A. H. S., follows:

Presidents, George Oertley, Ernest Plavan; vice-presidents, Marvin Morrison, Harold Holzgrafe; secretaries, Theretta Taylor, Eula Chamberlain; treasurers, Verne House, William Sebastian; poet, Theretta Taylor; historian, Linna Yarnell; prophet, Vier Robinson.

Yesterday the list of graduates for the Santa Ana High School for this year was finally determined. The list includes 104 names.

That is the biggest class ever graduated from the Santa Ana High School. It is a record-breaking year, a testimonial to the growth not only of the high school but to the growth of Santa Ana. Last year's class numbered ninety-four, and the year before that seventy-two.

The names of those who are to receive diplomas were reported last night to the city board of education by City Superintendent of Schools Cranston and Principal McMath, and the list was adopted.

The baccalaureate sermon is to be preached next Sunday night. The class play will be given on Wednesday, June 23, and diplomas will be presented at commencement on the evening of Friday, June 25.

The list of 104 graduates follows:

Alsbach, George
Anderson, Isabel
Ashman, William
Awe, Emma
Ball, Arvilla
Barker, Samuel
Blake, Frank
Boose, Esther
Bowen, Irene
Bowen, Mildred
Bruskey, Vertner
Burkett, Claire
Burns, Erving
Bybee, Georgia
Cannon, John
Carver, Roy
Catland, Alfred
Cathart, Nell
Chamberlain, Eula
Chase, Ralph
Clevenger, Ramona
Coffman, Esther
Coffman, Ethel
Cook, Mildred
Cooley, Inez
Cridle, John
Crozier, Mary
Dungan, Jessie
English, Elizabeth
Farquhar, Lisle
Faul, George
Finster, Vera
Fischer, Lillian
Fuller, Lloyd
Gale, Hugh
Gall, Evelyn
Garner, Myrtle
Garstang, Helen
German, Constance
Givens, Elizabeth
Harris, Marie
Hatch, Melton
Heil, Lela
Hill, Frank
Holtzgrafe, Harold
House, Verne
Jacobs, Otto
Johnson, Esther
Jaques, Irene
Kendall, Harry
Lambert, Gertrude
Lieberman, Gretchen
McArthur, Xina
McArthur, Florence
McCart, Mary
McDonald, Anita
Makosky, Frank
Mansur, Stanley
Mead, Dorothy
Miller, Florence
Morrison, Marvin
Neff, Gladys
Nimmo, Velda
Obarr, Merle
Oertly, George
Parker, George
Phelps, Rachel
Plavan, Ernest
Preble, Boyd
Purington, Arland
Pycatt, Elsie
Raitt, Elsie
Remsburg, Helen
Robertson, Margaret
Robinson, Vier
Roemer, Edith
Rossier, Edna
Rudolph, Elizabeth
Scott, Greeba
Schmid, Helene
Sebastian, J. P.
Sebastian, William
Shields, Hazel
Skiles, Dorothy
Sleeper, Ina
Smith, Genevieve
Smith, Verne
Snow, Horace
Swall, Vada
Taylor, Theretta
Thorman, Emma
Todd, Herndon
Welles, Doris
West, Emily
Winbiger, Ernest
Wingbold, Norma
Wilbur, Genefer
Wiseman, Mabel
Whitney, Ruth
Whitson, Elmer
Woodside, Cecelia
Woodside, Connie
Yarnell, Linna

TRIED AND FINED BY TELEPHONE AS PEDDLER OF BOOZE

THE DALLES, Ore., June 15.—"Hello, is this you, Judge?"
"Yes."
"Well I plead guilty."
"All right, you're fined \$100."
Simple. Just like that.
C. P. Wilson of Shanako, sixty miles from this city, was charged with selling liquor without a license. Over the long distance telephone Judge Ersham heard the complaint, received the plea of guilty and imposed sentence.
Wilson promised to send a money-order for the sum to The Dalles immediately.

101 YEARS OF AGE, HE WANTS TO WED, FORGETS HER NAME

Has to Go Home and Ask the Bride-to-be What Cognomen for License

JOPLIN, Mo., June 15.—William Miller, 101 years old who wanted to marry for the third time asked a local minister to get him a license to wed. The minister pulled a form from his desk and started to write.
"And the er-er young lady's name is?" he asked.
Miller didn't know his bride-to-be other than she was "that widow woman who keeps house for me."
He returned home to ask his intended her name.

JAP FOUND SLAIN IN HAYSTACK; NO CLUE

LOS ANGELES, June 15.—The body of an unidentified Japanese was found today in a haystack in Ocean Park Heights. A pool of blood stood on the highway near by. All valuables were missing from the body.

ALASKA TOWN'S FIRST BUILDING IS U. S. JAIL

SEWARD, Alaska, June 15.—The first government building to be erected in the new town of Anchorage is a jail.
The townsite has just been laid out in connection with the building of the Alaska railroad. Ten miles of railroad right-of-way near Anchorage has been cleared and eighteen miles of grading work let on contract.

PRINCETON HONORS TWO CALIFORNIANS

PRINCETON, N. J., June 15.—Two Californians graduated with high honors at Princeton today. They are Andrew Wilson Stewart of Pasadena, and Richard Bard of Hueneme. Bard was voted the most respected man in his class.

HERE'S A TALL, SWIFT TALE FROM THE HOT SANDS OF THE DESERT

SAN BERNARDINO, June 15.—This is no fairy tale. It is cold, hard fact.
Michael Garston, a prospector, tells it. That should establish its veracity.
Garston came in from the desert today, probably fatally carved about the face, arms and chest.
Here's his story:
With two companions he was prospecting in the desert, miles from any human habitation.
One day they met a beautiful girl, her name was Dolores.
With the three miners the girl started to walk to Needles.
The three men fell violently in love with the girl.
A quarrel ensued.
All drew knives and fought. Garston was left for dead, while the other two patched up a truce and departed with the girl.
A posse is taking a chance and looking for the alleged assailants and the girl.

EFFORT LAUNCHED TO END CHICAGO STRIKE

CHICAGO, June 15.—Mayor Thompson today is attempting to arrange a conference between the unionists and traction men, to settle the greatest car strike in Chicago's history. Meanwhile thousands walk.

REAL HOT DOGS ARE MENU AS OREGONIANS CELEBRATE

SAN FRANCISCO, June 15.—A "hot dog" feast was the principal feature at Oregon's dedication of her building at the Exposition today.
Not the hot dog of the vernacular, but honest-to-goodness bow-wows, specially roasted and devoured with apparent relish.
It was the sacred dog feast of the Blackfeet, the Sioux, the Cheyennes and the Winnebagoes. All joined in the ceremony.

Chief Big Springs, a wealthy Indian, delivered an oration, in which he explained the significance of the feast and its connection with the annual religious ceremonies of the tribes.
Chief White Plume was master of the ceremonies and had as his assistants Chiefs Two Guns and White Wolf.
Aside from this, beautiful girls garbed in white distributed blossoms to all visitors. The Oregon building was a mass of roses. Hundreds of Oregon people were present, as well as thousands of Californians who claim Oregon as their native state.

OSBORNE SITS ON ARIZONA LID AS GOV. HUNT IS OFF TO EAST

PHOENIX, June 15.—Sidney P. Osborne, secretary of state, is today acting governor of Arizona.
Governor Hunt is speeding eastward on a special train to attend the launching ceremonies June 19 of the battleship Arizona.
Opponents of Hunt today are planning to "slip one over" on the absent governor.
They will petition Osborne to send a message to the Legislature requesting it to immediately adjourn sine die.
They will also ask Osborne to remove the leaders of the Hunt faction. Osborne refuses to state what action he will take. But he sentimentally remarked this morning, "I'm sitting on the lid."

The Arizona Legislature is in trouble. They can't pay their own salaries, because neither house will agree to the salary list of the other.
Much important business is pending, and the state is also threatened with suspension of its affairs for lack of funds. Neither branch of the Legislature will meet the other to pass emergency appropriation bills.
There is talk of launching a movement July 1 to recall Governor Hunt.

THE CITRUS MARKET
NEW YORK, June 15.—Twenty-five cars oranges, four lemons sold. Oranges—12c to 20c higher. Oranges—10c to 15c higher. Oranges ranged from \$1.88 to \$2.10. Highest—Anaheim Supreme, \$4.25. Weather, cloudy; temperature, 66 degrees.

\$214,500,000 IS YEARLY COST OF TUBERCULOSIS TO AMERICA

SEATTLE, Wash., June 15.—That this country suffers an economic loss of \$214,500,000 every year through the death of tuberculosis victims and persons of consumptive tendencies, was the startling statement made by Dr. George M. Kober, of Washington, D. C., president of the National Association for the Study and Prevention of Tuberculosis, before that body in convention here today. In 1913, 143,000 persons died from tuberculosis in the United States, which, according to Dr. Kober, signifies the presence of about 1,430,000 consumptives in this country.

Hope Seen Ahead
"Great and grave as the problem may appear, there is certainly hope when we consider that the death rate from this disease has been reduced from 326 per 1000 population in 1880 to 147 in 1913," stated Dr. Kober. "This means that if the former rate has been continued the number of deaths from this cause would have been 322,027 instead of 143,000 in 1913, equivalent to a saving of 179,027 during one year."
Dr. Kober made some recommendations for drastic action by the National Association that would lead to further decrease in the death rate from tuberculosis.

Calls it Federal Problem
Dr. William Charles White, medical director of the Tuberculosis League of Pittsburg, declared the universality of the disease established it as a federal problem, in which the obstacle "states rights" should not be allowed to enter. He advised the adoption by all states of the laws affecting tuberculosis prevention enacted in New York and Massachusetts.

Discussing the medical profession's responsibility in the battle against tuberculosis, Dr. John Ritter, of Chicago, who is the physician in charge of the Rush Medical College's Tuberculosis Dispensary, told the Clinic section of the convention that "by the method of percutaneous, or skin vaccination, a larger cutaneous surface may be exposed for the production of these defensive agencies than may be possible by any other method."

Food Big Question
Asserting that the most frequent problem to be solved in treating the consumptive is food and its assimilation, Dr. Ethan A. Gray, of Chicago, declared that "even since the campaign against tuberculosis attained full headway, forced feeding of highly nutritious food has been the common practice."

This, Dr. Gray said, was radically wrong, for overfeeding often results in complete loss of appetite and very little gain in weight. The best diet is the one which appeals to the patient, even if it is plain corned beef and cabbage, said the physician.
Report on Children
Drs. John B. Manning and Howard James Knott, of Seattle, made a report on a clinical study of 228 children they examined during the last two years in relation to tuberculosis exposure. Dr. Charles J. Hartfield, executive secretary of the National Association, discussed the relationship of state and local work in fighting the deadly disease.

INDIANAN PATENTS A NEW FLYING MACHINE

TELL CITY, Iowa, June 15.—What is expected will startle the aviation world is the "Edwards common sense mono-hydroplane," which is under construction in this city. An expert aviator, R. N. Wright, has been engaged by the promoting company, and he will assist in the final details. After indoor tests a trial flight will be held in this city about July 1. The name "Edwards common sense mono-hydroplane" is the one given it by its inventor, R. C. Edwards. The use of the phrase "common sense" is due to the idea he conceived after study on the various movements of animal life and various things propelled by steam, or other motor power, his theory being that most everything has an end or endwise movement, and that the idea that a flying machine must fly from the side is wrong. Before a model was patented by the inventor about four and a half years was spent by him in working out the various details.

NEW TROUSER SKIRT IS EYE CAPTIVATOR

NEW YORK, June 15.—While its advent did not exactly turn the hotel upside down, the appearance of a new costume in the lobby of the Martingale caused chairs and sofas to be deserted.
It was one of these new dresses that gave the effect of a Chinese woman's costume, with skirt coming just below the knee, revealing some ten or twelve inches of what might do for black trousers. The wearer had her black hair clipped, and on it rested a small patent leather hat. Black stockings and pumps completed the costume. The silk trousered one promenade down from the upper entrance to the lower, and then entering one of the restaurants, hid her distinguished costume behind a table cloth.

FORMER Secretary of State William Jennings Bryan, photographed in various moods.

BRYAN PLAN IS FINE, BUT 'IT CAN'T BE DID' SAYS SOLON

SPOKANE, June 15.—Senator Miles Poinsett today supported President Wilson's German stand and criticized Bryan's attitude. He said:
"Bryan, whether dealing with Mexican bandits or the mightiest armed nation, asks them to lay down their arms, abandon their fixed plans and seek glory generously. It is a fine deal, but in the language of the street, 'it can't be did'."

CLARK SAYS SAN DIEGO ROAD IS IN QUESTION

In an interview in Los Angeles yesterday former United States Senator W. A. Clark, principal owner of the Salt Lake railroad, said that the building of a line to San Diego had been considered by his company, but that the feasibility of it from a profit-making standpoint is in question.
For several months past reports have been given to the effect that the Salt Lake would build from Los Angeles through this county to San Diego. For a time it was frequently stated that purchases made here, in Anaheim and in Fullerton were made for right-of-way.

GETS OFF EASY
SAN FRANCISCO, June 15.—Mrs. Catherine Francis, the "Baby stare smuggler," today paid a \$50 fine in Judge Dooling's court for smuggling opals worth \$28,000.

GERARD TO SEE KAISER BEFORE GERMAN'S NEW NOTE SENT TO U. S.

LONDON, June 15.—Premier Asquith today asked the House of Commons to appropriate a news war fund of \$1,216,625,000. Britain has spent \$7,300,000,000 already.

BERLIN, June 15.—Ambassador Gerard expects to confer personally with Kaiser Wilhelm before Germany's new reply starts for Washington.

Dr. M. Gerhard has arrived at Christiania, Norway, enroute to Berlin, carrying special reports to the Kaiser, and after his arrival Gerard will meet the Kaiser.
It is believed here that Britain has notified America of her willingness to modify the German blockade providing Germany will modify her submarine methods, hence Wilson's new mediation offer in his last note.

BRITAIN REPORTED THINKING OF COTTON EMBARGO

WASHINGTON, June 15.—President Wilson told callers today that America is doing her utmost to encourage peace but the attitude of the belligerents limits her efforts.
He said he hoped Col. E. M. House would visit Washington soon. House has just returned from the war zone and will tell the president the sentiments of the European capitals. Wilson denies that House had been hurriedly recalled.

Discussion regarding Britain's possible answer to the impending protest against neutral shipping interference today took precedence over the German situation. It is rumored Britain intends to flatly deny the American contention that American commerce is suffering.

British newspapers are urging a cotton embargo test in case cotton reaches Germany and this is irritating the South, as a fine crop is expected.

Any belligerent action depressing cotton prices will certainly be investigated by congress.

ENGLAND OPENS PROBE OF LUSITANIA DISASTER

LONDON, June 15.—The British government today opened a formal investigation into the Lusitania disaster and witnesses told harrowing stories.

Lord Mersey presided over the court, which convened in Central hall, Westminster.

Sir Edward Carson, attorney general, representing the board of trade, in his opening statement, called the submarine crew "murderers violating every law of humanity." He denied the Lusitania was armed or carrying troops. He declared two, and possibly three, torpedoes struck the vessel. He proposed to prove the "American contention" that the Lusitania was unarmed.

Capt. W. T. Turner, who testified, denied that guns were carried. Turner blamed the Cunard officials for the fact that the Lusitania moved slowly through the submarine zone. He declared the company ordered but nineteen of the vessel's twenty-five boilers worked.

"We were proceeding at 18 knots when we were struck. The officers called to there comes a torpedo!" The explosion occurred between the third and fourth funnels. I immediately ordered full speed astern but with no response as the engines were damaged.

"The vessel listed fifteen degrees, rendering the port boats useless. I ordered the women and children first into the boats then went to the bridge and was there when the vessel sank."

Cross-examined, Turner said he was cognizant of the submarine danger. He had the lookout doubled and orders were issued to immediately proceed at full speed as soon as a periscope appeared.

Asked what part Vanderbilt took in the rescue work Turner replied: "I never saw the gentleman."

GERMAN BIG GUNS ARE SHELLING COMPEIGNE

PARIS, June 15.—The Germans are bombarding Compeigne, forty-five miles east of Paris, it is officially announced today.

The enemy are using long-range guns, the same as those which were employed in the bombardment of Dunkirk, and these guns are operating from concealed positions.

French aviators have attempted in vain to locate the guns.

FIERCE BATTLE RAGING ON THE RIVER ISONZO

GENEVA, June 15.—Italians generally discredit the reports that several German army divisions are aiding the Austrians along the Italian battle front. Advises from field headquarters state that no Germans have been found among the dead or prisoners. Goritz is today reported cut off except by a narrow path.

IN THE JUSTICE COURT

WAS A BOARDER. NOT GUEST. SO HOTEL WINS

Fine Point In Law Decided By Justice Cox In Action Against Allerton

When a man is a guest at a hotel, the hotel is held responsible for loss by theft.

When a man is a boarder at a hotel, the hotel cannot be made to pay for loss by burglary.

Today Justice Cox decided that H. C. Clarke was a boarder at the Allerton Hotel on November 25, and accordingly the hotel does not have to stand a loss of \$59, the value of clothing that Clarke said was stolen from his room. The evidence showed that Clarke, a solicitor for the Los Angeles Examiner, was made a special rate for room and board at the Allerton. This was in August. The theft occurred in November.

SUCCESS CROWNS SKIN GRAFTING OPERATION AT LOCAL HOSPITAL

Twelve Volunteers Furnish Pieces of Their Skin to Aid Sufferer

Success crowned a skin grafting operation that was performed at the Santa Ana Hospital Saturday afternoon, beginning at 1:30 o'clock, upon the left arm and shoulder of Miss C. Palmer, who was seriously burned on May 15 at the home of Mr. and Mrs. W. H. James, 801 Spurgeon street, following an explosion of gasoline in which she was washing her hair.

Appeals for volunteers to furnish pieces of skin varying in size from a half to one inch, resulted in twelve persons presenting themselves at the hospital for the relief of the sufferer.

Miss Palmer is resting comfortably, her physician states. It is not yet definitely known if another operation will be required.

AT THE COURTHOUSE

SAYS \$1500 DUE HIM FOR SALE OF A RANCH

Weiss Alleges He Had Purchaser, and That Clark Would Not Give Deed

Today suit for \$1500 was brought by E. K. Weiss Company of Orange against Donald Clark. Weiss alleges that on March 18, 1915, he got a contract from Clark whereby Weiss was authorized to sell a ten-acre ranch belonging to Clark for \$9750. Weiss to receive whatever he could get above that figure. Weiss states that he secured a buyer for \$11,500, on April 2, but that Clark would not then complete the deal. Weiss asks judgment for the difference between \$9750 and \$11,500. F. C. Drumm and H. C. Head are attorneys for the plaintiff.

Default Entered

The defendant failing to appear, the default of the defendant in the action of Viba Richardson against Ernest Richardson has been filed.

Decree Is Given

This morning when Judge Thomas started to try the divorce action of Mae Foey against Peter Foey, the defendant failed to appear. The case had been set down for trial with the expectation that it would be contested. The defendant not appearing an interlocutory decree of divorce was given Mrs. Foey. Tipton & Callor of Anaheim represented her.

Homestead Declared

A declaration of homestead has been recorded by A. E. Hawley on eight acres on West Hickey street, Santa Ana.

Purchase Report

D. N. Kelly as executor of the estate of Caroline M. Conn has reported to the Superior Court the sale of lots 29 and 30, Birch's addition to Santa Ana, to United States Senator William Alden Smith of Michigan for \$8500. The property is the southeast corner of Ross and Fourth streets.

Marriage Licenses

Wigley Lester Clem, 21, and Margaret E. Engel, 20, both of Santa Ana; Esteban Moreno, 22, and Reyes Herrera, 15, both of Delhi.

BICYCLIST HAS RIBS BROKEN BY AN AUTO

Anaheim Herald, June 14—Jos. Pain was seriously injured yesterday while riding a bicycle on the road between Olinda and Placentia. An automobile ran into him, smashing his bicycle, breaking several of his ribs and bruising him generally. There were two men in the auto and they took Pain and his heel in the auto to Pain's home, near Olinda, where they dumped him on the roadside and departed without revealing their identity. The number of their auto was not secured. Dr. Harvey was called to attend to the injured man.

HERE IS GOOD NEWS FOR STOMACH VICTIMS

Some very remarkable results are being obtained by treating stomach, liver and intestinal troubles with pure vegetable oils, which exert a cleansing, soothing and purifying action upon the lower bowels, removing the obstructions of poisonous fecal matter and gases and preventing their absorption by the blood. This done, the food is allowed free passage from the stomach, fermentation ceases and stomach troubles quickly disappear.

George H. Mayr, for twenty years a leading Chicago druggist, cured himself and many of his friends of stomach, liver and intestinal troubles of years' standing by this treatment, and so successful was the remedy he devised that it has since been placed in the hands of druggists all over the country, who have sold thousands of bottles.

Though absolutely harmless, the effect of the medicine is sufficient to convince any one of its remarkable effectiveness, and within 24 hours the sufferer feels like a new person. Mayr's Wonderful Remedy is sold by leading druggists everywhere with the positive understanding that four money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction. Advertisment.

OLIVE RANCHER SAYS HORSES WERE STOLEN

Heard Noise, Thought Horses Strayed, Now Convinced Thief Got Them

Unable to locate a team of horses that he thought had strayed, A. Yorba of Olive has reported to Sheriff Jackson that the animals were stolen.

Friday night Yorba heard a noise at his stable, but thought the horses were amusing themselves kicking each other. The next morning the door was found open and the horses gone. Yorba concluded that the animals had gotten out and had strayed away. He spent Saturday, Sunday and Monday looking for them but got no trace. Today he told his troubles to the sheriff.

One of the animals is a bay mare, 8 years old, weighs 1050 to 1100 pounds, has a heavy mane and a short tail and a star in her forehead. The other is a roan horse, weighing 700 pounds, with heavy mane and tail.

STARS OF SCHOOL YEAR ARE PRESENTED

Friday's assembly at the Santa Ana High School was in the form of an all-star day in which all those participating in school activities this year were put on display.

First the State football championship team came forward, mid hearty applause. The second team members were then awarded monograms. The basketball team and the girls' and boys' tennis teams received monograms. The track team, base ball team, forensic team, and debating team all received seats before the students also.

Mr. Montgomery gave a splendid eulogy upon the stars and brought out the fact that there were a great many of the onlookers who would be occupying all-star benches if they had only gotten out and worked.

"Dutch" Holzgrafe presented the student body with a large picture of the championship foot ball team. After which Manager Trago of the track team presented a picture of the school's elder path hero, Ernest Plavan.

Vier Robinson presented a picture of the county championship forensic team and Melton Hatch presented a picture of the Southern California girls' championship tennis players, Isabel Anderson and Ardis Burners. A report was made on the mid-year entertainment showing a profit of \$75.

William Sebastian gave a final address on the Ariel.

THINK CRIPPLED HAND IS PAY FOR JOYRIDE

Anaheim Herald, June 14—Geo. W. Muhr of Los Angeles left today for his home in Los Angeles. Muhr is the young fellow who had the accident with a stolen Ford auto on South street some weeks ago and was so badly burned.

His right hand will be crippled for life and the right ear is partly turned off. Since the accident he has been in the Sanitarium but was allowed to be taken to his home today by his mother. It will be some time before he will be well again and it is thought that no action will be taken against him as his injuries have been quite a penalty already.

BIG NEW 900-BARREL GUSHER BROUGHT IN

Yesterday a good gusher was brought in in the city limits of Fullerton, which will mean increased development there. The Standard Oil company yesterday brought in this new well only one mile from the center of the city on the Stearns Coyotes lease at a depth of 3500 feet.

The hole is flowing at a rate of over 900 barrels a day, and the company believes this will make one of the best wells in the Fullerton field.

This is the best well that has been finished within the city limits. This company recently brought in a 200-barrel well on the Piepenbrink lease, and it has just commenced drilling on well No. 1 on Coyotes Stearns lease No. 3.

BOARD OF SUPERVISORS

WILL IT BOOST FOR NEWPORT HARBOR?

This morning the Board of Supervisors and a committee of the Associated Chambers of Commerce heard an explanation of the purposes of the Inland Waterways Association of California as given by David H. Walker of San Francisco, secretary of the association.

Walker stated that the association is organized to make legislative fights for inland waterways, harbors, water storage, flood control and other projects of that nature. He said he is in this end of the state boosting the membership of the association, and it was his desire to interest the supervisors and others here in the work.

J. C. Metzgar of Santa Ana, L. H. Wallace of Newport Beach, J. A. Armitage of Sunset Beach and Gustav Stern of Fullerton were among Associated Chambers of Commerce men present.

Wallace and Armitage said that they believed the organization a good one, but they feared that it would devote its energies to the big cities while a project like Newport Harbor might be left to take care of itself. Walker replied that the association is organized to aid just such projects as the development of Newport Harbor.

It was concluded to ask the Associated Chambers of Commerce to consider the advisability of boosting for the association.

Permits Granted

Davis & White were given a spraying license and W. F. Bonkosky a fumigator's license.

Petitions to lay pipelines were granted to C. A. Palmer of Olive, J. S. Crouch of Bolsa and the Pacific Telephone Company at Bolsa. The telephone company wants to put 310 feet of wires under ground in order to avoid a high-power line.

ONLY A FEW CAN GO

Those who are so fortunate that expense does not have to be considered are now going to health resorts to get rid of the impurities in the system that cause rheumatism, backache, swollen, aching joints and stiff, painful muscles. If you are one of those who cannot go, yet feel that you need relief from such pain and misery, try Foley Kidney Pills. They restore the kidneys to healthful activity and make you feel well and strong. Rowley Drug Co.

Graduate in a Suit You'll Be Proud Of

You young men who will graduate from high school in a few days are entitled to a "fair start." In the selection of your graduation suit, for instance, you should get the utmost value for your money. That's being fair with yourself. At the same time it shows that your powers of reasoning have been properly developed. Reason over this:

This store sells Men's and Young Men's Suits under a Fair and Square Selling Policy. We hold no discount sales which would compel us to mark our goods too high most of the season. Instead we mark our goods just as low as we can afford to sell them and stand by these prices right through the season. You pay no premium here for buying your suit early in the season. The Fair Selling Policy, we find, appeals to all lovers of the SQUARE DEAL.

JUST THESE FOUR PRICES

On our Men's and Young Men's Suits. One of these prices is the price you intend to pay for your graduation suit. Under our Fair Selling Plan you get the utmost in value, which ever price you decide to pay.

\$15

Any suit which has sold at \$18, and many values up to and including \$20. You save the difference under our fair selling plan.

\$17

Any Styleplus Suit in our store. Styleplus suits are made to sell at the same price the world over at all seasons. You save \$3.00 to \$8.00.

\$20

\$25 Stein-Block and L. System Suits, made by the manufacturer to sell for \$25 everywhere. Our Fair Selling Plan price, \$20.

\$25

All \$27.50 and \$30 suits in stock, at \$25. At this price we include the very acme of clothing perfection. Investigate our Fair Selling Plan.

PALMER

Suits for Young Fellows Cost Less Under Our Fair-Price Plan

These Suits, in sizes 14 to 18 years, are better suits than you would expect to get at these prices. They are better because they were really made to sell for more. Our Fair Selling Policy makes the difference in prices.

Regular \$12.50 Suits, dressy, well made, of good materials, at this store **\$10**

The kind of Suits \$15 buys most places can be bought under our plan at **\$12.50**

\$18.00 Suits are selling at this "Fair Price Store" at just **\$15**

Boys' Knicker Suits

We feature "Woolwear" Suits because we believe they are the best to be had for the money. They are all wool—cut full and cut right—pants lined the seams taped—patent buckle and sewed on buttons. The makers guarantee "Woolwear." If we sell it that is a double guarantee.

Prices \$5.00 up. Most have two pairs pants. Boys' Sport Shirts and Ties.

TUSTIN MARKET CLEANED OUT BY THIEVES

Wagon Load of Meats, Sugar and Canned Goods Carted Away By Burglars

Two bold burglars raided the Triangle Market at Tustin last night, and they carried away as much as they left. Probably if their wagon had been bigger they would not have left as much as they did.

Third and Spurgeon Sts.

of the market, opened his door this morning he found that a large share of the stock had been taken. Investigation by the proprietor was soon joined in by Sheriff Jackson.

The thieves gained entrance through a rear window, the screen of which was cut. The bar on the rear door was removed from the inside, and the door was easily opened. The raid then began in real earnest. The tracks show that two men were engaged in the affair. One of them had a remarkably big pair of feet.

The wagon was left beside Romer's store next to the state highway paving. The thieves carried the loot out of the store, back of the store and poolroom along the edge of an orange orchard to the highway, across it and to the wagon. The wagon tracks were obliterated before an investigation could be made this morning.

This is the second descent made upon the Triangle Market. Several months ago two Mexicans were convicted of burglarizing the place.

The list of articles reported by Weinmann as missing follows: Four cases of sugar, two cases of condensed milk, two cases of canned tomatoes, a case of mustard, box of Swift's Premium soap, thirty-six pounds of Triangle coffee in sacks and sixty pounds in one-pound cans, one chest of tea, 150 pounds of compound, two sides of bacon, one and a half hams, a leg of mutton, three packages of pancake flour, twenty pounds of butter.

CADILLAC EIGHT THAT BEAT FAST LARK TO BAY CITY IS ON VIEW

Crowds Are Attracted By Car That Ran to Frisco In 12 Hours, 10 Minutes

Efforts on the part of H. H. Kelly, local Cadillac and Paige agent, to exhibit at his garage at the corner of Second and Main streets the Cadillac Eight which "beat the Lark" to "Frisco," were rewarded yesterday when Salesman C. H. Lowe brought the machine down from Los Angeles.

The Cadillac Eight, which made the run to the Bay City in twelve hours and ten minutes, beating the Lark by an hour and a half, was on display at the local garage all day yesterday and today and will be on view until midnight tomorrow. It is in perfect shape, notwithstanding the hard run up the coast.

The car is attracting a great deal of attention among local motor enthusiasts, who are marveling at the fact that before the race with the Lark was staged the car had run 17,000.

Manager Kelly announces that the garage is being kept open until midnight each evening in order to give the public a chance to inspect the car.

A MISTAKE MADE BY MANY
Don't wait for rheumatism to indicate diseased kidneys. When you suffer pains and aches by day and sleep disturbing bladder weakness by night, feel tired, nervous and run down, the kidneys and bladder should be restored to healthy, strong and regular action. DOCTORS' AUTOS NOT LIMITED AS TO TIME

Proposed Amendment In the Traffic Law Will Require \$1000 Bond of Each Jit

HUNT SIGN SETTLEMENT

Six Bidders Seek Four-Year Job Hauling Garbage Away From Santa Ana

Santa Ana physicians want to be exempted from one provision of the proposed new jitney and traffic ordinance.

They want to be allowed to leave their machines on Fourth street for more than the half hour allowed in the measure that seems certain to become law.

At a meeting of the trustees last night the first draft of the ordinance was read. However, a number of changes are to be made in it before next Monday night.

Among those changes is the addition of a provision exempting physicians and surgeons from the observation of the time limit clause, the requirement of a \$1000 bond of each jitney, and the exclusion of motorcycles and possibly bicycles from the restricted district, which is Fourth street between Broadway and Bush and on Main between Third and Fifth.

That a new traffic ordinance was necessary was concluded at a meeting of the trustees a week ago last night, and in accordance with instructions given him at that time City Attorney Scott last night presented the ordinance. Under it no automobile during certain hours can stand for over thirty minutes in the restricted zone, and no jitney can stand for over three minutes, and then only at traffic corners to take on and discharge passengers. The hours when the restricted zone and the thirty-minute limit apply to automobiles not rental machines is from 8 a. m. to 12 noon and from 1 p. m. to 6 p. m. daily, except Sunday. That is, there will be no limit on the length of time a machine may stand on Fourth and Main streets between 6 o'clock in the evening and 8 the next morning, during the noon hour or on Sundays.

In the ordinance as presented last night motorcycles and bicycles standing against the curb were exempted from the provision of the ordinance. Last night some one suggested that a motorcycle is just as much in the way as an automobile. It was also suggested that a time limit should be put on bicycles. These suggestions will be incorporated in the revised ordinance that will be presented by the city attorney next Monday night.

Wants a Bond
McPhee made a motion that there be incorporated a requirement of a \$1000 bond for each rental machine.

Clerk Vegely read a petition signed by numerous physicians asking that automobiles owned by doctors be exempted from the provisions of the proposed law. It also asked that ambulances and fire department vehicles be exempted.

When asked if the provision could be incorporated legally, City Attorney Scott replied that it could. He said it would be necessary for the doctors' machines to bear some distinguishing mark. He asked further time to look up the law on the question.

Dr. Gordon and Dr. Cushman talked for the petition. Dr. Gordon said that the physicians in the Spurgeon block would like to have it so arranged that their automobiles could be left on Court street so that they could be in ready reach in case of emergency calls. He said each doctor's machine could be marked with a red cross.

Dr. Cushman said the physicians occasionally have hurry calls in which two or three minutes make a good deal of difference. Moreover, the physicians leave grips and medicine cases in their machines and those things would be less likely to be stolen if the machines were left on Fourth street. He suggested that machines be made to park on Sycamore street.

The justice of the attitude of the physicians seemed to be recognized by all of the trustees. No opposition was expressed.

The measure as amended, exempting the physicians from the time limit, will come up again next Monday night.

Electric Signs
The new board came in for its first chance on the electric sign question last night. The former board had many a lovely time over the question. Last night William McCulloch, the city electrician, said that the Holmes Realty Company's electric sign, for which a permit has been issued, and the Dragon sign, for which a permit was asked, do not comply with the city ordinance. He said they are not truly electrical signs. He said that several signs have been put up that are nothing more than illuminated signs, for which gas or coal oil could provide light.

"I'd like to have you appoint a committee to instruct me as to what you consider an electric sign," said McCulloch. "These transparencies may suit you, but they are not electric signs. This sign for the Dragon is too big and it has too much space not illuminated."

"The Los Angeles man who built this sign came down here and started to put it up without a permit, regardless of the fact that I told him it did not fit our ordinance. I want to know if this board is going to back me up in my conclusion of the electrical sign ordinance."

The placing of the Dragon sign came to a stop, awaiting a permit. McCulloch said he told the workmen to stop. Building Inspector Ash and Trustee Tubbs saw them at work and told

GIVES HOPE OF SUCCESS

There was an element in the "dry" convention at Fresno which said "we had rather have saloons than to accept any program short of immediate and absolute prohibition." And in the W. C. T. U. convention at Pasadena this week one of the speakers said:

First: "Why did the Fresno convention give the liquor interests five years to get out of business? If five, why not ten or twenty years?"

Second: "When a burglar is in your house, would you let him take all he wants before you make him get out?"

Third: "When should we do right, now, in one month, or in ten years?"

We agree with the Riverside Press that it is an occasion of congratulation that such extreme views as these did not prevail in the Fresno convention. "It is true," says the Press, "that the amendment relating to the wine industry does give until 1920 for those engaged in the growing of wine grapes and the manufacture of wine to close up their business. It is a recognition of the very large vested interests represented in the wine industry of the state. If that amendment carries, it serves notice on those engaged in the business that they must adjust themselves to the verdict of the people, but reasonable time is given to make that adjustment. There is an element of fairness in it which will appeal to the American sense of fair play."

"Even that liberal amendment may not carry—in fact there is a good deal of doubt about its carrying. The other amendment, however, does stand a good show of adoption. That provides for the prohibition of the retail liquor business in the state—in saloons, in liquor selling groceries, cafes, in hotels, etc.—within practically a year after the vote is taken, January 1, 1918. Thousands of people will vote for that who will not vote to abolish the wine industry in the state. The law would accomplish the most desirable part of any temperance movement—the closing of all saloons; it is a practical, effective temperance measure and certainly goes as far as public sentiment will warrant going in California. We can vote for all anti-wine amendment as a matter of principle, but we can vote for the anti-saloon amendment with excellent chances of success; and that means going into the campaign with hope and enthusiasm."

"There was a good deal of violent language hurled about in the Fresno convention, but after it had been gotten out of the system, the body settled down to a sane and practical program. The counsels of the greatest temperance leader in the state—D. M. Gaudier of the anti-saloon league—prevailed; and an issue has been formulated that ought to result in wiping out the open saloon in California."

A PARTY FICTION

Secretary of State Frank Jordan is fighting the non-partisan bill, on the pretext that the people need parties, to tell them what officials they need, and to be responsible for those officials after they were elected. It would be interesting, on this basis, to learn what party is to be responsible for Jordan himself. He received both the Republican and Democratic nominations. If in some unexpected way (surely no one could expect it of Jordan!) he should disgrace his office, which of his parties would he have thereby disgraced?—Fresno Republican.

CITRUS GROWERS GIVEN ADDRESS OF INTEREST

Because it is of interest to every orange grower in Orange county, the Register publishes the following, taken in full from the San Bernardino Sun of Sunday, June 13.

BY A GROWER

G. Harold Powell addressed the growers connected with the San Bernardino county fruit exchange Saturday afternoon at Rialto.

Mr. Powell dealt with the general situation during the past season, and stated that 11 per cent more fruit had been marketed than in the same period for five years. The purchasing power of the people had been below normal, the dinner pail was hard to fill with absolute necessities. The industry had passed through such periods before and a reaction in prices had always come with more prosperous times throughout the country.

Every large increase in crop has been hailed as certain ruin but California has sold the 10,000 cars that spelled overproduction, has successfully handled the 20,000 cars, and step by step has reached 48,000 cars last season and sold them to better advantage than the smaller crops of some previous seasons.

Mr. Powell quoted data he had compiled while in the thick of the actual trading between jobber and retailer, and retailer and consumer and impressed his hearers with the idea that he is determined to get his facts first hand.

Reference was made to the results obtained by arranging displays for a retailer whose competitors in the same neighborhood followed his lead, and naturally increased sales and consumption. Experiments along this line of work are being carried on.

The national advertising campaign was called to the attention of growers, the statement being made that the successful marketing of any product depends on advertising plus organization.

Questions brought out the fact that the raisin growers are well organized and "getting away with" a marketing plan which may lead to trouble with the federal trade commission. Mr. Powell stated that the exchange plan of organization would stand any criticism and could be made equally effective if the growers all lined up in a solid front.

The California citrus growers have an advantage over any other citrus producing country in the world because they are in a position to offer a supply of citrus fruit to the consumers all the year round, they are located in one state and their product, while perishable, is healthful, delightful to eat, pleasing to the eye and being contained within an unbroken skin is sanitary.

The navel situation, Mr. Powell said, could be materially helped by organization, efficient packing plants and fewer of them.

BY R. C. HARBISON

The California fruit growers' exchange controls about 62 per cent of the California orange crop.

In some districts it controls as much as 90 per cent of the crop, but in the San Bernardino valley embracing the early navel districts, it controls less than 30 per cent of the crop, and to the operation of the "independents" is attributed at least in part the unsatisfactory returns received by growers.

In the six months period, December 1 to May 31 of the present season, the shipments of oranges were 11 1/2 per cent greater than the average for the past five years for the same period. The big crop and "hard times" throughout the country, reducing consumers' ability to purchase are also in part responsible for the low prices during January, February and March.

The exchange is not a trust; has stood the fire of the shrewd lawyers in Congress and in government employ. The more nearly it approximates handling the total crop, the better results it can obtain for growers. But it does not control prices or distribution and does not say either when or where to ship. It merely sells what the individual associations or growers send to its selling agencies.

The big problem of the industry is to increase consumption of citrus fruit.

These might be designated as the high spots in the address delivered before 100 orange growers at Rialto yesterday afternoon by G. Harold Powell, general manager of the exchange. He had been asked to come to the county by the San Bernardino County Fruit Exchange and in particular gave reasons for the unsatisfactory returns obtained for oranges shipped in January, February and March, and any solutions for the question that he might have to offer.

At the outset he declared it is wholly a question of increasing the number of consumers. "Population is increasing at the rate of not to exceed two people per annum, but citrus fruit is increasing at a rate of 10 to 15 per cent per annum," said he. "The crop has overtaken the demand and the consumers are in a position to die while we still have the future to consider. There are 20,000 acres of Valencia, four years old and under, 20,000 acres of lemons four years old and under, and 45,000 acres of navels four years old and under, in California.

"More people must eat oranges and lemons, and people who do eat them must eat more of them." And then in a most interesting discussion that occupied the better part of two hours, Mr. Powell outlined some of the methods which the exchange is using to increase sales. He stated there are 450,000 retail dealers in food products, two-thirds of whom handle oranges, but many of them not in a

Cadillac Garage
H. H. KELLY.
Second and Main Sts.

way to attract trade. Then he told of what exchange agents are doing—going into the stores of eastern dealers arranging attractive window displays and pyramiding the beautiful fruit, sometimes with the result that where sales were nominal before, a dealer's entire stock of oranges would be sold in a few hours, just because the fruit is attractively arranged, where people see it.

Referring to returns for the present navel season, not only have shipments been above the average, but Mr. Powell also pointed out that by government reports, 3,500,000 men were out of work May 1 and over 5,000,000 are on half or at least less than full time, thus greatly reducing their ability to purchase oranges.

Mr. Powell is unalterably opposed to the exchange going into the retail or jobbing of the fruit, and says the overhead charges would "eat us up." As proof of this, he cited many stalls in the big New York markets, where the marketman handles not only oranges, but perhaps twenty other fruits and vegetables. "When he is not selling oranges, he is selling lettuce or beans or potatoes," said Mr. Powell. "But if he had to wait for the woman who wants nothing but oranges, he would fail in a week. Mr. Powell has recently spent much time in the markets of the east, studied the question right on the ground, and gives it as his deliberate judgment that the exchange must keep out of the retail or jobbing end of the business, but must devote itself by advertising and otherwise, to increasing the demand on the part of the consumers, and by making the fruit displays so attractive and so numerous that people will see oranges all the time and therefore want them all the time."

In reply to an inquiry as to what would give oranges a firmer stand with the retailers, he replied without an instant's hesitation: "More Valencia." And then he explained that there is less loss in the handling of oranges by the retailer than there is in any other fruit, and if the crop of Valencia could be increased so that the retailer can have oranges, all the year round, he will push the motto of the exclusion of the sefter and more perishable fruits.

Mr. Powell drew the line clearly between the exchange and the apple growers' associations of Oregon, which

undertook to fix a minimum price, and the cantaloupe growers of the Imperial Valley, who sought to limit shipments. Both of the latter have been under the eye of the federal trade commission, and warned that such methods would not "get by."

In response to an inquiry as to the local situation, Mr. Powell replied: "If the growers of this early navel district were more thoroughly organized and in the exchange, it would result in better fruit for the market (better commercial pack) less price cutting and competition of the ruinous character, and better returns therefore to the grower. And this is an ideal time for that question to be placed before them," concluded Mr. Powell.

The growers gave a hearty vote of thanks to the exchange manager at the close of his talk. James Barnhill, of Colton, presided.

PLEASANT AFFAIR

Popular Teacher Is Honored at Surprise Party Given by Pupils

Section four of the intermediate school pleasantly surprised their popular class teacher, Miss Maud R. Jones, last evening, at her home on North Bush street.

The merry band of boys and girls met at the school house and walked to her home waiting in the parlors, where the shades had been drawn, until Miss Jones had been called home from a friend's house, where she had been purposely invited.

Upon her arrival, the honoree was greatly surprised to find her class, a merry happy group of boys and girls awaiting her but after she had recovered from her surprise, she extended all a hearty welcome and joined in the games of "Flying Dutchman," "Drop the Handkerchief," "Musical Chair" and "Double Cousin" which caused much merriment.

After the games, refreshments of delicious homemade cakes and candies made by the girls, and ice cream furnished by the boys, were served.

Two beautiful solos were sung by Miss Jones, accompanied by her sister Miss Eunice. Members of the class also gave vocal and instrumental selections.

Among those present were: Edith Bragg, Jessie Johnston, Edith Renshaw, Vivian Pierce, Helen Carnahan, Mabel Stumph, Dorothy Rogers, Miriam Flagg, Helen White, Phyllis Baker, Doris Schenck, Marie May, Hilda Hayes, Emma Douglass, Mrs. A. A. Jones and Misses Eunice, Yona and Mary Addie Jones, Loyd Neal, Norman Thompson, Theodore Waters, Malcolm Severance, Paul Day, Stewart Taylor, Willie Rash, Charles Bullock, Harold and Frank Kellogg.

Reception For Newly Weds

Mr. and Mrs. S. A. Milligan of 1246 West Fifth street, gave a delightful reception Saturday evening in honor of their son Will and his bride who are here from Seattle, Washington, on their honeymoon.

The evening was merrily spent in conversation and games and during the social hours delicious ice cream, a variety of home made cakes, and lemonade were served.

The following were present: Mr. and Mrs. Will Milligan, T. A. Gidcomb, Frank McCarter, Adam Walkinshaw, Wm. Thursty, Thomas Reid, Thomas McCarter, L. D. Warner, Chas. Warner, A. E. Kohler, Mrs. Scott Torrens, Misses Addie and Corinne Hedges, Margaret and Mary Walkinshaw, Mary McCarter, Minnie Montgomery, and little Miss Frances McCarter, Messrs. Gene, Orvie and Albert McCarter, and Master Harold Hokler.

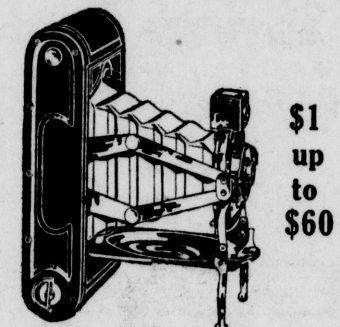

Wed at San Diego

Mr. Lester Hackett of Ceres and Miss Elsie McKenzie of Santa Ana were married at San Diego on Thursday, June 10.

After the ceremony the happy pair boarded the steamer "Yale" bound for San Francisco where they will spend their honeymoon.

The young couple have numerous friends in Santa Ana to whom the wedding will prove an agreeable surprise.

HONOR FLAG DAY

Birthday of Stars and Stripes Celebrated by Members of the W. R. C.

A large assembly of members and friends of the W. R. C. gathered last evening at the G. A. R. Hall to join in the celebration which honored the birthday of Old Glory.

The excellent program which was under the capable supervision of Patriotic Instructor of the W. R. C., commenced with a beautiful piano duet by Mesdames Grace Moessner and Ada Paul and as Mrs. King gave her eloquent greetings to our flag, Master Wallace Ludwig advanced with our beautiful emblem which was the inspiration of this impressive tribute.

At the close of the greetings Mrs. Val Jean thrillingly sang "The Star Spangled Banner," the audience joining enthusiastically in the chorus.

The vocal solos of Messrs. Stukey and Vierra were highly appreciated and the piano duet played by Hazei and Frank Chapman was given with much expression and truthfulness of technique, while the ladies' quartette gave two beautiful numbers.

The readings of Miss Goldsworthy were pleasing features of the excellent program and the violin solo by little Miss Violet Post was keenly enjoyed.

As a special treat to those assembled, Judge E. T. Langley introduced Orlando W. Aldrich, national commander, of Columbus, Ohio, whose splendid address will be long remembered.

Cooling drinks refreshed the company before departing homeward.

I. H. S. Graduating Exercises

The new freshman class for the high school in September will consist of 108 bright young people, who will graduate Friday next from the Intermediate high school. The young folks will look very stunning for their exercises, the girls wearing white middie suits with Yale blue ribbons and ties and the boys in dark trousers, white sport shirts and Yale blue ties.

Dr. J. G. Kennedy, of the United Presbyterian Church will deliver the address of the evening and there will be some delightful music. The exercises will take place in the Intermediate high school auditorium.

A Special Treat

A special treat is in store for all who attend the Woman's Foreign Missionary Society at the First M. E. Church, tomorrow afternoon at 2:30.

At this time, the quarterly tea will be held and Mrs. H. O. Sisson, who has just returned from an extensive trip abroad, will give an interesting talk.

Everyone who desires to meet with this society, is cordially invited.

Mission Circle Meets

The Girl's Mission Circle of First Baptist church enjoyed a pleasant meeting last night at the home of its president, Miss Ethel Rood, 601 S. Birch St.

Most interesting reports were given by three girls of the Missionary meetings in connection with the Northern Baptist Convention lately held at Los Angeles.

Miss Whited of the high school staff was a welcome visitor at our meeting. She also gave her impressions of the sessions that she attended and of the unusual opportunity of hearing such speakers as Prof. Rauschenbach of New York and Dean Shaler Matthews of Chicago University.

Miss Orpha Holbrook then gave us a chapter from our Mission Study text book "Under Marching Orders."

This lesson dealt with the causes leading up to the Boxer uprising in which heroic missionaries and brave Christian (Chinese) converts sealed their faith with their blood.

The hostess then served ice cream and cake while the company were entertained by music from the phonograph.

Miss Whited kindly took the girls home in her auto.

"Welcome Home"

Miss Myrtle Wilson, who has just completed a year's study at the College of Missions at Indianapolis, Indiana, is expected home the first of next week.

Miss Wilson returns to spend a well merited vacation with home folks before leaving, in the early fall, for the Philippine Islands.

Miss Wilson and her fiancé, Mr. Frank Stipp, were the only two, chosen from the class of missionaries to work in this mission field and the many Santa Ana friends of the former wish them great success in this worthy partnership service.

Informal Evening

Miss Grace Grigsby entertained informally last evening at her home 806 East Fourth street her guests including Mrs. Herman Schlegel, Miss

Corinne Schlegel of Wausau, Wis., Mr. and Mrs. E. R. Halesworth, Mr. and Mrs. W. W. Halesworth, Mr. and Mrs. J. G. Quick, Mr. and Mrs. Frank Grigsby also being present.

Musical and conversation happily whiled away the social hours which closed with the serving of cooling refreshments.

Interesting Report

The Daughters of Attendance met yesterday with good attendance, a very interesting session being held.

The president, Mrs. G. S. Smith, who has returned from the recent convention at San Jose, gave a splendid report which was listened to with the greatest of interest.

Much business was transacted and further work outlined.

Surprise Party

A bevy of the high school friends of Harold Peckham succeeded in giving him a pleasant surprise last evening at the home of Ralph Cole, 711 North Main street.

The affair was in the nature of a "farewell" as the Peckham family will leave, soon after the close of school, for South Dakota.

After a merry session at games, refreshments of ice cream and cake were enjoyed.

Military Euchre Club

The Military Euchre Club held its last meeting of the season last evening in Taylor's gold rooms which were gaily decorated with American flags, in honor of the birthday of this glorious emblem of Freedom.

Masses of yellow tinted Scotch broom also decorated the tables where a tempting three-course supper was enjoyed before the session at cards.

Sixty-nine members of this merry company joined in the animated games, thoroughly enjoying the last meeting of the summer.

Prizes will not be given until the end of next season which will commence next October.

Literary Branch to Meet

The Literary Branch of the Woman's Missionary Society of the M. E. Church, South, will hold their monthly meeting at the church Wednesday afternoon at 2:30.

Visiting in Santa Ana

Howard Hankey, son of J. A. Hankey, a graduate of Santa Ana high school, stopped over for a short visit with his father and little sister, Helen. He is engaged in the University of California in one of the departments of the extension division and is at present arranging lecture courses in this part of the state to be given under the auspices of the extension department. He goes from here to Riverside and next Saturday will return to Berkeley.

PLEASANT MEETING

President of Music Teachers' Association Resigns; To Leave for England

About fifty people attended the meeting of the Music Teachers' Association at the music room of the high school last evening.

After a lengthy discussion, it was decided to remain a local organization for the present. This does not debar any teacher from belonging to the State if they so desire. It was with regret the resignation of Mr. Richards as president was accepted. He plans to visit England in the near future.

Mr. Gustlin was elected president.

A short program was enjoyed. Mr. Phillips delighted his hearers with "The Three Comrades" by Heinrich. Mrs. Peck splendidly interpreted two of Edward McDowell's numbers and Miss Billingsley, in her rich soprano, gave Gertrude Ross' "Daron" and "O Bird of Love Divine," by Moore.

Fruitade and wafers were served and a profitable social time spent. The society's plan is to make the organization both profitable and enjoyable to teacher, associate member and students as well.

Will Live in Santa Ana

Robert L. Greenleaf, son of Mrs. L. A. Greenleaf, of West Seventeenth street, and his bride, who was formerly Miss Alice Edstrom of this city, have returned from Los Angeles, where they were married, last Saturday, and will make their home on Riverside avenue.

Personal

Mr. and Mrs. W. J. Wells and daughter, Miss Ava Wells, returned last evening from a three days' stay at San Diego. They visited the fair and other features of the exposition city made especially attractive this year, while away.

Mr. and Mrs. H. O. Sisson have returned from a two years trip around the world, in which they visited twenty-three different countries. They think now of locating in Los Angeles or Santa Ana. Mr. Sisson owned and conducted the Orange County Business College here for ten years and he and his wife have many friends in this city.

Miss Sedalia Cubbison, who has been teaching in Chaffey Union High School at Ontario, will spend the summer at her home here, 1119 North Main street.

Miss Sarah Welch of Larning, Kansas, while touring California, is the guest of her great-aunt, Mrs. Sarah Miniken of 209 South Birch street. The reunion is a pleasant one as they had not seen each other since Miss Welch was a little girl. Mrs. Cynthia Wilson and Miss Virginia Walker are also great-aunts of the visitor.

Mr. and Mrs. L. P. Holbrook and Mr. and Mrs. Chas. Andre enjoyed a motoring trip to the Yucapa Valley today, returning this evening from their pleasant outing.

Mrs. M. M. Hollingsworth left today for Pueblo, Colorado, traveling via the Salt Lake Route.

E. K. Hill left today for Council Bluffs, Iowa, traveling via the Salt Lake route.

Miss Velma Hutchins was a visitor in Los Angeles today.

Mr. and Mrs. Lucien Sweet left today over the Salt Lake route for Portland, Oregon.

Miss Lucy Estman who has just closed a successful year as teacher in the Garden Grove schools, left yesterday over the Salt Lake R. R. for Nebraska City, Nebraska, where she will spend her summer vacation.

Miss J. McCord left today for San Francisco where she will take in the Exposition.

Mr. and Mrs. Adolph Butz of 1130 Orange Avenue, returned last evening from a two weeks' visit to the San Francisco fair.

Mr. and Mrs. A. L. Kearney and daughters, Misses Elizabeth and Marjory, went to Pasadena this afternoon for a short visit with Mr. and Mrs. John Kearney.

Mr. and Mrs. P. A. Robinson of 219 East Washington Avenue, have returned from a trip to Berkeley and the San Francisco Exposition and are now enjoying a visit from their oldest daughter, Mrs. P. B. Fisher, and her son, Wheaton, Illinois, who formerly lived in Santa Ana. They will spend the summer months with the Robinsons who have, also, as a house guest, Miss Margaret Fisher, who is a teacher in the Wheaton schools.

Mrs. Polly Smith left yesterday over the Salt Lake R. R. for a visit at Philadelphia.

Mrs. Louis Jacobson has gone to Chicago for a summer's visit.

Mrs. Jones and friend, Mr. Robert Sheik, from Lima, Ohio, came by way of Frisco and are visiting Mr. and Mrs. John Pugh. They will remain about three months and expect to take in San Diego fair.

I. M. Von Schultz left yesterday over the Salt Lake route for Gallipolis, Ohio.

Messrs. T. P. Kingrey and D. W. Sturgeon motored to Corona today on a business trip.

BERRY SHIPPER PAYS ANOTHER FINE TO CITY

Yesterday afternoon I. J. Oens of San Pedro paid a fine of \$10 to City Recorder Wilson on a charge of shipping short weight berries to Santa Ana. The complaint was sworn to by George McPhee, county sealer of weights and measures. This was the third time Owens was in court for sending short weight berries here.

AMUSEMENTS

At Clune's
Tremendously artistic film entertainment is being offered Clune patrons the first part of this week by Anita Stewart and Earle Williams in "The Sort of Girl Who Came From Heaven."

This film, which, by the way, is somewhat short in length but extremely long in content, is a little masterpiece. In its concreteness and elimination of essentials it is to the "movies" what the short stories of Edgar Allan Poe and Guy De Maupassant are to literature.

In "The Sort of Girl Who Came From Heaven" there is no soothing sentimentality. There is no balderdash, no lying romance. All is true to life. The audience is given no sugar plums to swallow. It is given no sweet fairy tale, such as those stuck together with honey and molasses by Govenour Morris, Harold McGrath, Robert W. Chambers and Harold Bell Wright. Instead of the saccharine platitudes of these men the film offers a perfect little segment of life-as-it-is and is bound to charm all who care more for truth than they do for falsehood.

Beautiful Anita Stewart brings to bear in the role of "the girl," all the winsomeness and charm for which she is noted.

"The Esterbrook Case," Broadway star feature in three parts, is a mystery film that baffles from start to finish. The Hearst-Selig news pictorial offers its usual wealth of pictures of current events.

Earl Reiner and Company offer a satirical suffragette farce entitled "When Women Rule." The Leslie Sisters present a neat singing act.

At the Temple
The Paramount South American Travel pictures. The series being shown this week takes the audience through the Panama canal and the views shown are among the most instructive seen here recently, giving adequate views of the mechanism of the locks and general mode of operation of Uncle Sam's "big ditch." Manager Schlessinger is calling the attention of the various school principals in Santa Ana to this film and students are taking a keen interest.

The Panama Canal has been photographed before by the motion picture man, but this is the first ocean-to-ocean trip a cameraman has been able to make on shipboard. There is a keen desire on the part of everyone to see where millions of the people's money went. It does not tax the imagination greatly to figure it out when one sees the great Culbreth Cut.

The new passenger steamer, "Northern Pacific," which is to be put into the San Francisco-Portland service, is shown entering the Pedro Miguel Locks. The huge electric traction engines, termed by the soldiers in the Canal Zone "Uncle Sam's Mules," are shown running up the incline and towing the ship through the lock. Soldiers are seen lining the walls, waving to the passengers on shipboard.

Lots Meredith, in "Help Wanted," scores heavily. The plot of the play as it was shown on the legitimate stage is well known to theater-goers and it loses nothing through its adaptation for "the movies."

Mrs. Albert Kleinlein, Miss Ruth Kleinlein and Chester Kleinlein, of Evansville, Ind., are guests at the home of Rev. A. C. Kleinlein.

WANTED AT ONCE
Farmers to lease 5 to 500 acre tracts on San Diego County Coast. Winter vegetables, new irrigation system just completed, warm, mild climate. Big returns. PERSONAL AND SOCIAL HUNTINGTON BEACH NEWS ITEMS

HUNTINGTON BEACH, June 15.—Miss Julia Chamberlain who has taught the sixth grade in the grammar school for the past three years has secured a position in the Los Angeles city schools and will remove to that place with her mother before the beginning of the fall term.

Miss Bessie Leebrick, who has taught the fifth grade three years and the seventh grade one year in the Huntington Beach schools has decided to accept a position in the Ingelwood schools under Prof. G. W. Crozier under whom she taught for one year in this city.

Dr. S. J. Leebrick of University of California, who has been the guest of his mother, Mrs. Mary Leebrick, and family, has returned to Berkeley for the summer.

Mrs. E. M. Yearly has been taken to the state hospital.

Miss Bertha Proctor, librarian of the city public library will take her

vacation the last week in June and intends visiting the San Diego exposition.

Mr. and Mrs. David George of Los Angeles have been visiting their son, A. J. George, for several days.

Mrs. P. H. Hand of El Centro has returned to Huntington Beach for the summer and will be with her son, Clifford Hand, and daughter, Miss Mildred Hand.

Mrs. V. C. Van Hoorebeke of Ontario, who has been visiting her parents, Mr. and Mrs. I. M. Clippenger has returned to her home in the foothill city.

Miss Mary Stewart Dunlap, an artist of Pasadena is spending a few days at Huntington Beach. Miss Dunlap comes to this beach frequently during the summer.

The concrete mixer has finished its work on Eighth street.

The crushed rock base for Magnolia avenue has been mostly laid. The specifications for this street call for a macadam base instead of concrete.

Beans in this vicinity are growing finely. There is a good stand almost everywhere and since the hot wind about three weeks ago, weather conditions have been very satisfactory.

There is scarcely any ground left for celery this year. Almost all of the old celery growers have decided to devote their efforts to the cultivation of beets or beans. Some additional alfalfa is being raised.

The Huntington Beach Company is preparing to lay sidewalks along Seventeenth street.

Women Watch the Clock

In our stores and factories for that blessed hour when the day's work ends. The reason is readily seen, as the nature of their duties too often drags them into the horrors of all kinds of organic troubles peculiar to women, causing backache, headaches, nervousness and irritability. Lydia E. Pinkham's Vegetable Compound, a simple remedy, made from roots and herbs, may be relied upon to overcome these troubles.—Advertisement.

M'MATH AGAIN NAMED PRINCIPAL OF THE HIGH SCHOOL

At a meeting of the board of education of Santa Ana last night, E. H. McMath was again elected principal of the Santa Ana High School.

W. I. Stewart, who taught in the commercial department of the high school for two and a half years and who resigned last winter to take a place in the Orange County Savings & Trust Co., was elected to teach penmanship in the high school and to supervise the teaching of penmanship in the grades below the intermediate school.

P. B. Yocum was elected a science teacher in the high school. He taught his subject for several years in South Dakota. Recently he has been doing advanced work at the University of Southern California.

Miss Bess G. Campbell was elected a teacher in the grades.

Tired, Aching Muscles Relieved
Hard work, over-exertion, mean stiff sore muscles. Sloan's Liniment lightly applied, a little quiet, and your soreness disappears like magic. "Nothing ever helped like your Sloan's Liniment. I can never thank you enough," writes one grateful user. Stops suffering, aches and pains. An excellent counter-irritant, better and cleaner than mustard. All Druggists, 25c. Get a bottle today. Penetrates without rubbing.

JOY-RIDING ABOUT COUNTRY AS SAILOR HUNTING DESERTER

A nifty-looking sailor lad wearing a big U. S. revolver and a white sailor's hat has been seen a good deal of land in lively rigs. Last week he hired a liveryman at Oceanside to drive him about the country, saying he had been sent out by the marines' office in San Diego to look for a deserter. When he left, he gave an order on the San Diego office for the pay for the rig. The order was reported worthless. The name given at Oceanside by the sight-seer was Bob Kelly.

Sunday a man dressed as Kelly was dressed and giving the same kind of a story got a rig from Theo. Lacy of Santa Ana. He went forth to hunt for the alleged deserter, and failed to return with the rig. The name he gave was Standard. This morning Lacy reported to Sheriff Jackson that the rig had not been returned. Jackson telephoned to Los Angeles, and immediately was informed by the police there that the rig had been left at a stable in Los Angeles, and had not been called for. While the rig is found, the sailor lad is probably still making himself acquainted with the country.

It is a great country, and a sailor in this part of the world certainly ought not to go away without seeing as much of it as possible.

"SHUCKS; I don't see why I shouldn't spend my money while I'm alive! I'll be a long time dead." How often you hear some people say that! If they follow it they generally spend all they have QUICKLY ENOUGH, and when trouble comes they are left UNPREPARED to meet it. Troubles, like bombs from aerial craft in the war, often drop out of an apparently CLEAR sky. The only SAFE, SENSIBLE, SANE way is to keep a BANK ACCOUNT going.

NOTICE

In the Superior Court of the County of Orange, State of California, No. 7125, Dept. 1.

In the Matter of the Dissolution of Orange County Automobile League (a Corporation).

Notice is hereby given by the undersigned, Clerk of the County of Orange, and ex-officio Clerk of the Superior Court thereof:

That on the 8th day of June, 1915, by an order of the above entitled court, there was filed with the Clerk thereof the application of J. E. Pearce, A. C. Drake, C. J. Drake and J. M. Pearce, praying for an order of said court that Orange County Automobile League, a corporation organized and existing under the laws of the State of California, be dissolved, and the place where its principal business is to be transacted at the city of Santa Ana, California, be dissolved.

That any person may file objections to said application at any time before the expiration of the time of publication of this notice, which will expire on the 8th day of July, 1915.

Dated June 8th, 1915.

W. B. WILLIAMS, Clerk of the County of Orange, and ex-officio Clerk of the Superior Court thereof. (SEAL)

Do You Want a Ranch?

Then listen to this: Twenty acres of the best truck land west of the river (1/2 mile north of Newhope school house) with pumping plant and small house, all fenced, for \$3500 an acre. Won't stay long at this price.

Here's Another One:

Five acres at Newport Heights, all set to fruit trees, plenty of water, very good five room house, good barn, \$3750.

Fine Buy in Santa Ana:

85x250 feet on North Broadway, south of Washington avenue, nothing better in the city. Old seven-room house in fair condition. This property runs through to Sycamore, and offers one of the choicest residence sites in town. Price \$5000. For a high class proposition you can't beat either the property or the price.

LINN L. SHAW

416 Spurgeon Building.

FOR SALE OR EXCHANGE

A Beautiful Country Home Combined With a Good Income and a Safe Investment.

8 acres just outside city of Orange, splendid location being a stone's throw from State highway and close to schools. Has good income, nice six room house and barn, domestic water, gas, electricity and sewer—which combines every advantage of both city and country. Will consider clear residence Santa Ana to \$6,000.

GERARD TO SEE KAISER BEFORE GERMAN'S NEW NOTE SENT TO U. S.

(CONTINUED FROM PAGE 1)
cept on the eastern side, with the Italians rapidly closing in.
At a dozen points on the Isonzo the Italians are endeavoring to hurl troops across the river to reinforce the detachments which recently crossed near Plava, but the Austrian army is desperately resisting these efforts. There is heavy fighting all along the Isonzo, with the result yet doubtful.
Reports have reached here that the Italians are within ten miles of Trieste, but this is generally discredited.

TURKS CLAIM VICTORIES OVER ALLIES, RUSSIANS

CONSTANTINOPLE, June 15.—The Turks today claim victories on the Gallipoli peninsula.

An official statement from the Turkish War Office says:
"The Turkish troops in the Dardanelles have occupied positions hitherto held by the enemy near Sed-ul-Bahr and Ari-Burnu.
"Artillery engagements on Gallipoli peninsula continue.
"In the Caucasus we have occupied Russian positions in the direction of Olti."

GERMANS SINK BRITISH TRAWLER; SEVEN DIE

LONDON, June 15.—The Admiralty announces the loss today at the hands of a German submarine of the trawler Argyle. Seven sailors are said to have been lost.

LOSS OF DREADNAUGHT DENIED BY BRITISH

LONDON, June 15.—The official press bureau today denied that the dreadnaught Agamemnon has been sunk in the Dardanelles.

BRITISH NAVAL CASUALTY LIST TO DATE 13,547

LONDON, June 15.—Premier Asquith told the House of Commons today that the British navy casualties up to June 1 totaled 13,547.

AUSTRIANS TRY TO TRAP ITALIAN SOLDIERS

ROME, June 15.—It is officially stated today that Austrian soldiers are "sniping" Italian troops from the rear, hoping to induce retaliation against non-combatants. The plan failed. Several Austrians were captured confessed the details.

MINOR GERMAN SUCCESSES ADMITTED BY SLAVS

PETROGRAD, June 15.—The Teutons have renewed their Lemberg drive on the west front. The battle front is now forty miles wide. Minor German successes are admitted. It is stated the Russian positions are impregnable.

BULGARIA ORDERS ARMS FROM UNITED STATES

ROME, June 15.—It is reported that Bulgaria has ordered munitions from America and has arranged for payment through a German bank. This has caused a political sensation. Minister Rizov, of Bulgaria, refused to comment. The origin of the rumors is unknown, but it spread like wildfire through government circles.

AUSTRALIAN CASUALTIES, 100 KILLED, 6000 HURT

SYDNEY, N. S. W., June 15.—It is officially announced that the Australian casualty list shows one hundred killed and six thousand wounded on Gallipoli peninsula.

FRENCH FLYERS BOMBARD KARLSRUHE, KILL 11

BERLIN, June 15.—French aviators bombarded Karlsruhe, the capital of the Duchy of Baden, and killed eleven persons yesterday, it is officially announced.

TEUTONS CAPTURE MOSOISKA AFTER DESPERATE FIGHT

BERLIN, June 15.—The Teutons have stormed and captured Mosoiska, between Przmysl and Lemberg, where the Russians made a desperate stand.

174,000,000 LOBSTER EGGS TO BE HATCHED

BOOTHBAY, Me., June 15.—A recent week saw a record at the Boothbay lobster hatchery for the removal of eggs. These, on being stripped from the shell-fish are stored in jars, each jar holding 651,000. The hatchery now has 270 such jars full, or 174,000,000 eggs. The eggs will soon hatch and later be liberated up and down the coast.

NEW BUGS OPEN WAR ON U. S.; DOCTORS UP IN ARMS

SAN FRANCISCO, June 15.—"A flower by any other name would smell as sweet," to misquote. But beware of smelling them, unless you wish to be attacked by a torpedo. For, according to Dr. Horace Burr of the American Medical Association, a flower germ in the shape of a torpedo-like bug attacks flower smellers, entering the nose and inflicting a poisonous bite which has the same effect upon humans as a torpedo upon dreadnaughts.

However terrible this danger may be, it is slight when compared to the fate which is about to overtake the American nation, according to Dr. Carl Myer, who asserts that dandruff seizes helpless, innocent children in the school room, and unless something can be done at once to rout the enemy, America will soon be a bald-headed nation.

The American Society of Tropical Medicine, in convention today, at San Francisco, has unearthed these latest horrors of war in the pathological sphere. The convention also declared an ultimatum on the hookworm. Members of that body assert the said hookworm to be persona non grata, as it has attacked non-combatants, and has not confined its efforts to the war zone. A desperate attempt will be made to prevent the hookworm getting an American foothold through immigrants.

A GOOD TABLE AND COOKING SYRUP

Its Many Possibilities In the Hands of the Skilled Housewife

In addition to the well-known uses as a dressing for the bread of little tots, as well as for the griddle cakes and waffles of the grown-ups, a good syrup serves many important purposes in the hands of the skilled housewife. It is one of the principal ingredients in the making of many candies and desserts, while a little dash of it has a most pleasing effect in the preparation of hundreds of other dishes.

When baking ham, if a good table syrup is substituted for brown sugar to mix with the bread crumbs and yolk of egg with which it is covered before the final browning, a finer flavor will be obtained; while brushing pastry lightly with syrup will give it that fine glaze considered so desirable.

For all of these purposes the famous brand of Karo Syrup is most strongly recommended. No less an authority than Marion Harland states "I do not hesitate to award Karo the preference above any other table syrup used in my household."

Karo Syrup can be obtained at all modern grocers. When ordering Karo, ask for the little Karo cook book which contains hundreds of valuable recipes—many of them contributed by famous culinary experts in all parts of the country.

HUNTINGTON BEACH IS GIVEN CLEVER TREAT IN SENIOR CLASS PLAY

HUNTINGTON BEACH, June 15.—The Senior class play Friday evening of last week a clever dramatization of "Daddy Long Legs" written by the members of the class themselves and given under the direction of Miss Clyde Gleaves proved a great success. Miss Florence Grant and Harry Bullock in the leading roles proved masters of character delineation but among the minor characters there was a finish and enthusiasm of presentation which constituted a support seldom enjoyed by leading actors. Miss Hetty Murdy as Mrs. Semple proved a great hit. Joe Livernash as the troublesome brother and Effie Adams as one of the orphans in the home earned high honors for themselves.

The school auditorium was packed thus making a financial as well as a dramatic success.

Bungalow aprons, 100 of them, choice, Thursday, 43c each. Crookshank-Beatty Company.

GARDEN GROVE

NEW-WEDS ARE HONOR GUESTS AT GROVE

GARDEN GROVE, June 15.—Friday evening Mrs. J. T. McElree entertained in honor of Mr. and Mrs. Reif and Mr. and Mrs. Lewis Tillotson of Santa Ana who have just recently been married.

A delightful five course dinner was served at six o'clock. The favors were little baskets with cupids and bride's roses and the color scheme was pink and white. The centerpiece was of pink carnations with a spray of fern in small glass vases.

During dinner a lively conversation interspersed with the reading of clever little poems at the expense of several of the guests served to make the time pass pleasantly.

Just before the last course slips of paper were given each guest and by reading these in turn each one fitting in the blanks with musical terms a musical love story resulted.

After dinner the remainder of the evening was passed in music and conversation, the guests departing just in time to catch their car for home.

The guests were Mr. and Mrs. Joe Tillotson, parents of the bride and groom, Mr. and Mrs. Lewis Tillotson, Mr. and Mrs. Reif, Mr. Clayton Tillotson of Santa Ana, and Miss Constance German of Garden Grove.

Dr. Violett and family motored to San Diego Saturday.

Miss Esther Hedstrom and Miss Elizabeth Hadden left Saturday morning for Redlands to attend the commencement exercises at the Redlands University. They will not return before Wednesday or Thursday.

A very pleasant afternoon was enjoyed Thursday at the home of Miss Lela Chaffee. She and her guest, Miss Enola Sherwood, who had been invited to spend the day, were upstairs quietly enjoying their fancy work when they were startled by a burst of voices from below calling "Surprise!" Miss Sherwood who is one of this month's bride's was not in the secret but soon regained her usual composure.

Conversation and fancy work followed when all were interrupted by the doorbell. Some one inquired for Miss Sherwood, when she went to the door she was presented with a very much decorated suitcase which upon opening she found filled with many beautiful and useful gifts. After the viewing of the gifts, sheets of colored tissue paper, wire and scissors were passed to each one and the hostess requested them to make a flower for the Bride's Bouquet. The result was a gorgeous bouquet of flowers.

Refreshments of raspberry sherbet and cake were served in the dining room where the guests found their places by the dainty white place cards with a cupid on them. Pink sweet peas were at each place on the table.

Those present were: Miss Enola Sherwood, Mesdames Geo. Reyburn, Monte Preston, Fred Mott, Arthur Stanley, Edmond Schneider and small daughter Winifred, Archie Emerson, J. T. McElree, W. E. Schnitzer, Ray Beardsley and son Charles, W. H. Stuck, Frank Anderson, Garfield Allen and son LeRoy, Albert Chaffee, Arthur Schnitzer, E. M. Dozier, Misses
